GIANT-SIZE TEXAS THESPIANS MONTHLY!

0 123456 789012

CONTENTS

The background of the entire page is a vibrant, comic-style illustration. It features a dense crowd of Marvel superheroes. In the center, Captain America is prominently displayed, wearing his iconic blue, white, and red suit with a large red star on his chest. To his right, Iron Man is visible in his red and gold armor. Above them, Spider-Man is shown in his red and blue suit. Other characters like the Hulk and Ghost Rider are also present. At the bottom of the image, several glowing jack-o'-lanterns with various carved faces are scattered across the foreground, adding a Halloween theme to the superhero collage.

FINE ARTS

ADMINISTRATOR DAY

What is Texas Thespians Fine Arts Administrator Day?

- This day is specifically for campus fine arts principals, as well as district fine arts directors, coordinators, and facilitators.
- Our Fine Arts Administrator Day is designed to educate our administrators on all aspects of the Texas Thespians student festival experience and provide advocacy and educational resources in support of our theatre programs.

November 10th - 8:30 AM - 2:00 PM

H.B.G. Convention Center - San Antonio, TX

November 17th - 8:15 AM - 1:15 PM

Gaylord Texan - Grapevine, TX

Cost:

\$100 for the Admin Day pass

FREE if your administrator registers and attends the full festival with students!

Invite your campus and district administrators today!

TECH TIPS

by: Mel Edwards

Dive into a variety of blood recipes for your next haunted house. Empower your students with the knowledge and skills to create convincing stage blood effects, making learning fun and unforgettable.

Basic Edible Recipe

- **1 part Chocolate syrup**
- **2 parts corn syrup**
- **Red food coloring to shade**

Basic Non-Edible

ALTERNATIVE: ADD $\frac{1}{2}$ PART DISH SOAP TO THE BASIC RECIPE.

****THE DISH SOAP WON'T BE SAFE TO INGEST ANYMORE, BUT IT WILL MAKE IT EASIER TO WASH OUT THE STAINS FROM CLOTHING.**

Washable Non-Edible

- **1 part dish soap**
- **red food coloring**
- **play with adding yellow food coloring**

"If you plan on reusing your costumes."

"EDIBLE BUT STICKY, WILL STAIN CLOTHING"

GROSS GORE BLOOD

HAS LITTLE FLECKS OF NASTINESS TO GIVE IT SOME EXTRA SCAB AND DEBRIS EFFECT.

- **2 TABLESPOONS CORN SYRUP**
- **$\frac{1}{2}$ TEASPOON DRIED ONION FLAKES**
- **$\frac{1}{4}$ TEASPOONS WATER**
- **6 DROPS OF RED FOOD COLORING**
- **1 TEASPOON COCOA MIX**

Blood Packs (Squibs)

When a scene calls for a character to be stabbed or shot, you can easily create a squib, or a blood pack, to pop on contact during the performance. Find the cheapest, lowest quality, thinnest sandwich bags and fill one of the corners with some of your fake blood. Tie the corner of the bag tightly until it balloons with the blood, then cut off the excess part of the bag. Tape the squib to the inside of an actor's costume. To burst the squib actors should squeeze or hit it hard against their body. Upon impact, the squib will pop and things will get messy. Be sure to practice.

Non-sticky Edible Recipe

- 1 cup of water
- 2 cups of powdered sugar
- 2 tbsp of red food coloring
- 1 tbsp of cocoa powder

“This edible recipe eliminates the stickiness that comes with corn syrup but might also stain clothing.”

Allergy-free options

First, it's important to know your actor's specific allergy.

- Soy butter substitutes for peanut butter.
- Carob syrup works well as an alternative to chocolate syrup.
- Red beet powder mixed with a small amount of water can replace traditional food coloring.

Be aware that liquid dyes will water down your recipe, so you'll need to add Glycerin to thicken your mixture.

All of these ingredients are a little more expensive, but safety should be your primary concern.
