

Accessing OpenWater via Community Hub

If you have not yet accessed OpenWater since our transition to the new system, you will need to connect your OpenWater account to your EdTA account via our Community Hub.

You can access Community Hub at <https://myedta.schooltheatre.org>.

You will see this screen:

The screenshot shows the login page for the Educational Theatre Association's new Community Hub. At the top, there is a dark blue header with the EdTA logo on the left, navigation links for "Upcoming Events", "Log In", and "Donate Now" on the right, and a "Welcome" section with the text "Please log in or create an account to continue." Below this is a white box containing a welcome message and instructions for new users, followed by a login form with fields for "Email" and "Password", a "Log In" button, and links for "Forgot your password?" and "Don't have an account?". At the bottom of the white box, there is a note about recent changes within a troupe and a link to create an account. The footer of the page is dark blue with the text "Powered by Nimble AMS".

Recent changes within your Troupe?
To request a change of Troupe Director, please create an account.

You will receive a password reset email, provided the email you entered matches the email that is in our system. Please check your Spam folder as the email may have been redirected there. Once you receive the email, follow the instructions to create your password.

Then, you can go back to OpenWater. When you login to OpenWater, you may be redirected back to the Community Hub login screen (see first image in this document). Enter your recently updated password and you will be redirected back to OpenWater to complete your application.

You can access OpenWater here: <https://edta-chapter-events.secure-platform.com/a/organizations/main/home>

If you selected **Don't have an account?** fill out the fields on the next screen, create your password, and click **Create Account**.

The image shows a web form for account creation, divided into two main sections: "My Contact Information" and "Security & Login".
