

# Who Am I Supposed To Be?

(Show starts with curtains closed and completely dark until Spencer speaks)

**Spencer**

Hi! My name is Spencer Price and I'm a not-so-proud senior of Leland High School.

**Michael**

Yo, Spence!

**Spencer**

This is my best-friend Michael Kain.

**Michael**

So what you been up to?

**Spencer**

Nothing really man. Just trying to think about the future. My future.

**Michael**

Man, don't tell me you still don't know what you wanna be?

**Spencer**

That would be correct.

**Michael**

Not even like an idea?

**Spencer**

Nada. Plus, I don't even know if I wanna go to college.

**Michael**

You're kidding, right?

**Spencer**

Look, I just don't know, okay Mikey. But I've got time right?

**Michael**

Wrong! We gotta fix this right now.

## W.A.I.S.T.B? (Part.1)

**MICHEAL**

It's Senior year in here  
You're finally gettin' out of here  
You're final day's near  
So who you gonna be?

**SPENCER**

Well... I don't know  
But I know I gotta go  
I gotta figure out  
Who I wanna be

**MICHEAL**

Well you should know

**SPENCER**

Well I don't know

**MICHEAL**

You don't know

**SPENCER**

I don't know

**MICHEAL**

So...

**(MICHAEL)**

It's like a hundred days till you leave me  
Ya ain't nothing, without a degree

**SPENCER**

So, who am I supposed to be?

Who am I supposed to be?

Who am I supposed to be?

**MICHAEL**

Who are you supposed to be?

Who are you supposed to be?

Who are you supposed to-

**BOTH**

Be?

# Song Scene 1

*(Set changes to Spencer's Room. They are on the computer searching for different career options. Michael is on the computer while Spencer is lying on his bed tossing a ball )*

**Michael**

Okay so! With your current GPA, *perfect* SAT scores, you can be accepted into Harvard, NYU, Iowa State, y'know pretty much anywhere-

**Spencer**

*(Overlapping)* Yeah, but we can't even talk about what college I wanna go to if I don't know what I wanna major in.

**Michael**

You know, I think it's weird how you know what you *don't* want to do but *don't* know what you want to do.

**Spencer**

*(Trying to be funny)* Yeah, yeah, I know. It's quite the conundrum.  
(Michael stares at him not amused by the "joke") Okay...

(Spoken/Rapped)  
**W.A.I.S.T.B.? (Part. 2)**

**MICHAEL**

Bro whatcha talkin bout?  
Say it again and I'm walking out  
What are the words coming out of your mouth?

**SPENCER**

Mikey, I'm Trippin I need you to help me out

**MICHAEL**

Dude, just be a nurse

**SPENCER**

Cleaning up piss?

**MICHAEL**

It could be worse  
Get you some money you never know

**SPENCER**

Honestly, ain't got the heart to do it though,  
Everyone thinks that I'm kinda late  
Study hard tryna to graduate  
Thinking of colleges out of state  
Either that or moving in with Auntie Kate

**MICHAEL**

How bout a singer?

**SPENCER**

I've never tried.

**MICHAEL**

Military?

**SPENCER**

My mother would cry.

**MICHAEL**

Try and do things that you know that you love

But right,

Nothing to send you to die

**SPENCER**

Why am I stupid?

**MICHAEL**

Boy what the hell.

**SPENCER**

God I'm a loser.

**MICHAEL**

Can you chill?

**SPENCER**

How can I chill when pressure I feel

Is weighing me down the shit is unreal

**MICHAEL**

But

You could a poet

And you don't even know

Or you could be in band

And you could play the flute

**SPENCER**

But you don't understand

**MICHAEL**

Your sinking in the sand

You need to find a plan

**SPENCER**

Who am I gonna be

## Song Scene 2

**Olivia**

Hey guys!

**Spencer**

(Time freezes and Spencer addresses the audience)

This is Oliva. And she is another one of my closest friends. Her, Mikey, and I, we have been best-friends since pre-school, and we've stuck together through thick and thin. I also have this huge crush on Olivia (beat) And she is NOT gonna know about that.

**Olivia**

So how's the search for self completion going?

**Michael**

Not good. (*walks over to Olivia*) trying to find a college for this guy is like trying to find my Dad. (*probably use something else if this is a bit controversial*)

**Olivia**

I think it's fine if you don't know where you wanna go right now it'll come to you eventually, hit you like lightning.

# W.A.I.S.T.B.? (Part. 3)

**OLIVIA**

It's ok you don't gotta know right now  
You just wanna figure out what you wanna do and how.

**MICHAEL**

I've been tellin' you man just pick a place  
Gotta pick up the pace  
Cause it's a hell of a race-

**SPENCER**

So, who am I supposed to be?

Who am I supposed to be?

Who am I supposed to be?

**MICHAEL & OLIVIA**

Who are you supposed to be?

Who are you supposed to be?

Who are you supposed to-

**ALL**

Be?

***(DANCE BREAK)***

**ENSEMBLE**

Hey Hey  
 Hey, Hey  
 Hey, Hey  
 Hey, Hey  
 Hey, Hey  
 Hey, Hey  
 Hey, Hey  
 Hey, Hey

**MICHAEL**

You could be a poet  
 And you don't even know it  
 Or you could in band  
 And you could play the flute  
 But don't understand  
 But on the other hand  
 This is in high demand,  
 Hey, Hey

**ENSEMBLE**

You could a poet  
 And you don't even know it  
 Or you could be in band  
 And you could play the flute  
 But you don't understand  
 But on the other hand  
 (This is in high demand)

**OLIVIA**

That's okay you don't gotta know right

**SPENCER**

I just wanna figure out what I wanna do right now

**MICHAEL**

The future's right in your face

**MICHAEL & OLIVIA**

Who are you supposed to be?

**ENSEMBLE**

Ah

**SPENCER**

I gotta know

**MICHAEL**

Who are you supposed to be?

**OLIVIA**

Who are you supposed to be?

Ah

I gotta know

Who is he supposed to be?

Who is he supposed to be?

Ah

I gotta know

Who is he supposed to be?

Who is he supposed to-

**ENSEMBLE**

Ahhhh

**SPENCER**

Who am I supposed to be?

**MICHAEL, OLIVIA**

Be?
