

It's GREAT to be a Texas Thespian!

Being a Texas Thespian means being part of something bigger than a school program—it means belonging to a dynamic, statewide community of student artists who celebrate creativity, leadership, and the transformative power of theatre.

Whether you're performing, building sets, designing costumes, or leading your troupe, there's something special about being a part of the Texas Thespians family.

★ A Thriving Statewide Community

Texas Thespians is the largest chapter of the Educational Theatre Association, representing hundreds of troupes and thousands of students. As a Texas Thespian, you become part of a vast network.

★ Leadership and Personal Growth

From troupe officers to STO's and Student Ambassadors, students are given opportunities to lead and serve. These roles help build leadership communication, and organizational skills, preparing students for success in all areas of life.

★ A Platform for Artistic Expression

Texas Thespians offers a space where students can express themselves freely through acting, design, writing, and technical theatre. You're encouraged to find your voice, tell meaningful stories, and collaborate with others who value artistic excellence.

★ Recognition and Achievement

As a Texas Thespian, students have the opportunity to compete at the State Festival and qualify for the International Thespian Festival. Superior ratings, awards, and college scholarships recognize the hard work, talent, and dedication of Thespians across the state.

★ Unforgettable Experiences and Friendships

Participating in Texas Thespians events leads to lasting friendships and memories. Whether attending a festival, performing in an IE, or simply bonding backstage, students build connections that last far beyond high school.

Being a Texas Thespian is more than a title—it's an experience that shapes students into confident, capable, and compassionate individuals. It's about honoring the power of performance, the strength of community, and the joy of storytelling. That's why it's great to be a Texas Thespian!
